SUPERVISEUR DE LIGNE  Directeur de la planification stratégique, suivi et évaluation

SURVEILLANCE  Suivi du bon de commande et rapport de performance

PO  Gestion de données / évaluation d'évaluation

Les candidatures doivent être envoyées à: b1M&EP@ecowas.int

APERÇU DU ROLE:

Sous la supervision du directeur de la planification stratégique, du suivi et de l’évaluation, le responsable principal du programme pour le suivi et l’évaluation sera responsable de la mise en œuvre du plan de suivi et d’évaluation de la Communauté, ainsi que de la coordination des plans de suivi et d’évaluation du programme, différentes institutions et agences.

RÔLE ET RESPONSABILITÉS

· Élaborer un cadre ou un plan régional de suivi et d'évaluation de la Communauté, fondé sur le cadre de résultats régional et des indicateurs concis d’impact, de résultat et de production;

· Élaborer des outils appropriés pour la collecte, l'analyse et la communication de données sur la mise en œuvre des programmes aux niveaux régional et institutionnel / agence, y compris les examens à mi-parcours, l'analyse d'impact, la performance du programme et l'évaluation finale;

· Élaborer, en collaboration avec les principales parties prenantes, des indicateurs de performance clés pour surveiller le programme et les activités de la CEDEAO au sein de la Commission et dans d'autres institutions et agences de la CEDEAO, et formuler des recommandations pour améliorer l'efficacité et l'efficience de la mise en œuvre du programme;

· Rédiger les rapports d’avancement et de performance trimestriels, semestriels et annuels de la Commission;

· Entreprendre des missions périodiques sur le terrain pour surveiller et évaluer la mise en œuvre et les progrès du programme, et pour assurer le respect des procédures opérationnelles (résultats et cadres logiques);

· Mener une évaluation des besoins en capacités des responsables S & E des institutions et agences, développer et exécuter des programmes
de formation pour renforcer leurs capacités;

· Évaluer régulièrement l’efficacité des programmes / activités en faisant correspondre les ressources financières utilisées aux résultats de ces programmes / activités;

· Travailler en étroite collaboration avec la Division de la planification, de la programmation et de la coordination pour renforcer les capacités des points focaux de S & E des institutions et agences de la CEDEAO en matière de gestion axée sur les résultats afin de garantir la réalisation efficace des buts et objectifs de la Communauté;

· Veiller à ce que les institutions et agences de la CEDEAO fournissent des résultats de haute qualité de manière efficace et en temps voulu;

· Prepare and maintain a data base of the programs and projects of Institutions and Agencies, with an in-built mechanism for data quality control.

ACADEMIC QUALIFICATIONS AND EXPERIENCE

· master’s degree or equivalent in business or public administration, management, statistics, economics, political science or other social sciences from a recognized university;

· 10 years of relevant experience;

· knowledge of institutional evaluation, environmental assessment, result based management and strategic evaluation;

· professional technical knowledge/expertise in methodology of monitoring & evaluation, including theories, standards and models, quantitative/qualitative/mixed methods, validity/reliability testing of data, data analysis and interpretation, and statistical inference methods;

· understanding of various approaches and methods of programme and project monitoring & evaluation.

AGE LIMIT

Be below 50 years old. This provision does not apply to internal candidates.
