The *Climate Change Job Vacancies Update* remains free (and ad-free), but it takes several hours per month to curate. If you have found this resource useful and/or found a job through it, please consider making a donation of US\$100. Help us to continue connecting and building the current and future generations of the Climate-L network of sustainable development professionals.

Please send climate change job vacancies postings to IISD Community at community@iisd.org

Climate Change Job Vacancies Update is a service provided by the **International Institute for Sustainable Development (IISD) Reporting Services** for our **IISD Community** subscribers. IISD RS does not assume responsibility for any of the jobs posted herein, and the positions listed here have no relationship to employment opportunities with IISD unless explicitly noted. IISD RS provides our readers this service as one means to foster a community of practice among international climate change policy makers. If your organization wishes to announce a position with this service, please send the following details to **IISD Community**:

- **Organization** (Name/Acronym/Homepage)
- **Position** (Title/Department/Project)
- **Term, Experience Level, Special Requirements**
- Your **Web Address for this Job Posting** (attachments received will not be distributed)
- **Date** (Deadline for Application/Starting Date)
- **Duty Station** (City/ies and Country/ies)
- **Contact Information** (Name, Address, City, Country, ZIP/Postal Code, Phone, Fax, Email)

The submission deadline for inclusion within the weekly Climate Change Job Vacancies Update is on **Tuesdays @ 10:00 AM EST** (Eastern Standard Time).
